Teamturf (formerly known as Team Sports Surfaces) offers high quality Australian and European manufactured products to the New Zealand sports, playground and home markets.

Our sports surfaces cater for school multi-use, tennis, hockey, soccer, rugby and cricket. Teamturf offer an exclusive and unique recycled shockpad underlay for playgrounds, providing a safety surface for every possible playground design meeting the latest NZ safety standards.

We are well connected in the international sports surfacing industry and source only the best products and machinery to provide our customers with the highest quality finish.

We offer quality at every step, using the best adhesives for each surface, secure edging details on all playground installations and use custom designed sand spreaders for the final finishing touch.

Teamturf have experienced installation technicians and all distributors throughout New Zealand are trained to follow our approved installation techniques.
